EXPERIENCE

Software Developer   Mar 2025 - Present
Wipro   *Bangalore, India*

- Enhanced expertise in modern web development by completing rigorous training in JavaScript, React.js, Next.js, and Tailwind CSS, while building multiple AI-integrated internal prototypes and contributing to practice projects involving API-driven architectures and intelligent interfaces.

Software Developer Intern   Oct 2024 - Jan 2025
BerryBox Benefits Private Limited   *Bangalore, India*

- Developed and maintained an admin portal platform using React.js, Next.js, and Node.js for a SaaS platform designed to streamline employee access to tools and resources.
- Collaborated with cross-functional teams to deliver assigned Jira issues on time, ensuring high-quality code and adherence to project deadlines.

PROJECTS

Sova-fitness-react-application   *Tech: React.JS, Tailwind CSS, JavaScript*

- Developed a dynamic AI-powered fitness application using React.js, enhancing user engagement through personalized workout generation and seamless UI/UX.
- Implemented an advanced workout generator using React Hooks, dynamically tailoring exercises based on user goals and muscle groups.
